

Northwind Analytics, Inc. Offer of Employment.

This letter confirms our offer for the position of Senior Data Engineer.

Your annual base salary will be \$185,000, paid in accordance with the Company's standard payroll practices.

For a period of twelve (12) months after your last day you will not solicit any employee of the Company, and you agree that this restriction is reasonable in scope and duration given the confidential infor-

mation you will receive in the course of your employment.
Any dispute arising out of this letter, including any dispute about
Section 3.2, shall be resolved by final and binding arbitration.
Please sign and return this letter before your start date.
